

SEND policy and guidance

Our Special Educational Needs and Disability (SEND) Policy is currently under consultation with the Governing Body and will be offered for consultation with all parents in Term 2 as a coffee morning (with biscuits). This is your chance to tell us if the policy includes everything you what to know in a way that makes sense to you. If you are interested in finding out more about SEND in our school and in Kent, click on the [Special Educational Needs Overview](#) button on our website and visit the links below.

- Kent Parent Partnership Service (KPPS)

Every local authority must provide a service for parents of children with special educational needs and children with disabilities. Kent Parent Partnership Services offers free, confidential and impartial advice and support to Kent parents. They aim to empower parents to be confident to take an active and informed role in their child's education and development.

- Kent local offer

Kent's Local offer is all about making it easier for people to find out about services available to 0-25 year olds with special educational needs and disabilities.
