Christmas is coming!

Movie night will soon be upon us, **Friday 25th November 5.00pm**. Tickets are available from Stacey Browne. The Royal Oak will be opening early to serve food for anyone that would like to drop their children at movie night and enjoy a meal.

Many thanks to everyone who has donated towards the transport costs for the school panto trip on **8th December**.

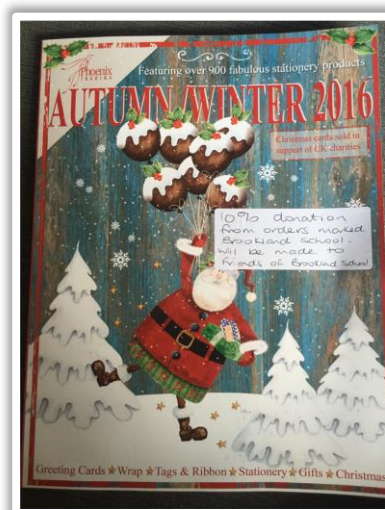

Friday 9th December - Donation Day! Non uniform at school - we are after donations for the raffle and tombola - any smelly gift sets, drinks, gift vouchers, tickets, chocolates, home crafts etc. We will also be requiring cake donations for the cake and sweet stall at the Christmas Fayre on the day please.

The Christmas Fayre and carols round the tree are on Tuesday 20th December. Santa has promised he can squeeze in a quick visit, tickets will be on sale early December. We have a number of lovely stalls for last minute gifts, many are able to personalise items for you, if you would like to pre order items for collection at the Fayre please visit the below Facebook or webpages to view and place your order. Our calendars will also be available to purchase!

We will also be looking to auction off the Christmas tree again this year - very generously donated by the Bull Family. Thank you so much. So if you want a tree but are not rushing to get one in early December please consider our tree and put in a bid! It needs a loving home for Christmas!

New Building!

It is so close to being finished!! This couldn't have been achieved without everyone's generosity of donations, time, effort and help. Special thanks go to Karen, Louise and Ruth and all involved in the decoration and painting of the room. Thank you so much for all your time and effort. Bidding on the Aviva community projects closes this week so if you haven't had a chance to bid please do! If we are successful this will give us some funds quickly to landscape around the new build and make it friendly for the children so they can start making use of the space as soon as possible. Only the top 300 projects with the highest bids win the funding.
