Dear Mr Hacker

28 November 2016

Thank you very much for your donation of £310.22. On behalf of everyone at Starlight Children's Foundation, I would like to thank you for this generous gift which will be used to enhance the quality of life of our Starlight Children.

This year, Starlight will brighten the lives of over 500,000 seriously and terminally ill children by granting their wishes and by providing entertainment in hospitals and hospices throughout the UK. All Starlight's activities are aimed at distracting children from the pain, fear and isolation caused by their illness. Starlight receives neither government nor lottery funding and relies entirely on the support of people like you.

For many children, the excitement and anticipation of their Starlight Wish gives them just the boost they need to carry on battling their illnesses. Six-year-old Harvey suffers from muscular dystrophy. Despite his condition Harvey is a typical fun loving boy. He loves the film Despicable Me and has lots of Minion toys. Harvey's Starlight Wish was to meet a minion; something which his parents told Starlight would mean the world to him.

"We can't thank Starlight enough for sending us to Florida. Harvey is minion crazy and is usually sporting some sort of minion clothing from socks, shoes, pants and vests to trousers, tops and coats! When the minions came out especially to meet us his face lit up. At that moment we forgot all about Harvey's condition and the struggles he faces every day and we saw a normal six year old boy whose wish had just come true."

There are 35 desperately ill children in Kent who have asked Starlight to grant their wishes and 1,265 nationwide. Your donation will help grant six-year-old Siana's wish (who has wished to swim with dolphins) together with other very poorly children referred to Starlight from Kent.

Your much appreciated contribution and support will help Starlight bring happy memories into the lives of many seriously ill children and their families, and for that I cannot thank you enough.

Yours sincerely
Neil Swan
