

Each year we send out a questionnaire to gather your views about the school. The responses to the questionnaire will help support the school in terms of the future priorities of the school, as well as supporting us in the evaluation and impact of the work over the last year. It will also allow us the opportunity to address any concerns you have over the coming terms. We will collate the responses and share those with you in Term 4.

Please mark your responses on the scale

1- Strongly Disagree - to 4 – Strongly Agree (Please could we ask that parents stick to this scoring system to ensure all views are recorded.)
