

History and Geography

We are finding out about our local area and what it is like to live here.

We will then be learning about what it is like to live in a completely different part of the world: Chile.

We will compare and contrast aspects of our area and a region in Chile.

Science

Our topic in Science is Materials.

We will investigate different types of materials and their properties, looking at what they are best suited to and how some materials can be changed by squashing, bending, stretching and twisting.

Our ongoing topic is Seasonal Change.

Art/DT

Landscape paintings linked to our topic work.

Clay modelling.

Nature paintings

RE

We are answering the question "What is the Good News Jesus Brings?"

Our values for the term are Offering and Integrity.

Terms 3 and 4

What makes a home here and there?

PE

PSHE

Our themes this term are Money Matters and Diverse Britain.

Children will learn about looking after their belongings and saving money, as well as what it means to be British and celebrating diversity

MFL

French (Muzzy)

Spanish and French (Supermovers)

Music

We are learning Seasonal songs and using instruments to produce rhythms and musical patterns.

English

Stories

Non-Chronological Reports

Maths

Number: Division

Number: Place Value

Statistics (yr2)

Measurement: Length and Height

Geometry: Shape
