

History and Geography

This term we will be exploring the world's most beautiful places and landmarks as part of our topic. Children will learn about where in the world these places are located and find out about the civilisations that created some ancient buildings, statues and monuments.

Science

Our topic in Science is Plants and Living Things and their Habitats.

Children will be observing how seeds and bulbs grow, and learning about what plants need in order to grow healthily.

We will also find out about animal survival and food chains.

Our ongoing topic is Seasonal Change.

Art/DT

Landscapes and cityscapes

Designing and making products

Different artists and designers

Ancient artworks and designs

RE

We are answering the question "Who is Jewish and what do they believe?"

Our values for the term are Commitment and Empathy.

PE

Terms 5 and 6 What is beauty?

PSHE

Our themes this term are Diverse Britain, Be Yourself and It's My Body.
