

Geography

We will learn about where our food comes from and what 'food miles' are.

We will investigate Fair Trade and other ways we can make a positive impact on the world.

PSHE

Growing up

Learning about emotional and physical changes during puberty. Learning about how we are all unique and important.

RE

We will be learning about how Jewish people live out their religion in Britain.

We will learn about how different religions make an impact on the world.

Science

We will learn how to classify animals and plants.

We will learn about how to keep our bodies healthy.

We will learn about the circulatory systems in the body.

Terms 5 and 6

How do we make our mark?

PE

Mrs McCaffery will be doing a variety of PE activities to promote a healthy lifestyle.

MFL

En famille

Learning about different family members and being able to talk about their family.

Le Petit Chaperon Rouge

A retelling of the Little Red Riding Hood story in French.

Art/DT

DT

We will learn how to use cams. We will learn how to create our ideas from designs. We will draw nets and create boxes.

We will create our own working models

Painting

We will continue to work on our use of watercolours to create pictures. Particularly looking at the effects different colours have to the mood of the picture.

Sketching

We will use our sketching skills to improve our observational drawings.

History

We will look at ancient recipes and compare them to modern day foods.

Home Challenge

Design and create a healthy menu for the family.
