

Geography

We will learn about where the Vikings came from and the countries they invaded. We will look at our local area.

PSHE

Young Leaders Award
Learning about how we are all unique and important.
Learning about how to be a positive influence.

RE

We will be discussing whether believing in Creation is compatible with understanding Science or not.
We will learn about what the Bible says about creation.
We will learn about what different scientists believe.

Science

We will learn about Earth and Space.
We will investigate the solar system.
We will learn about the importance of orbits.
We will learn about the cycles of the moon.

Term 1

Do our choices really matter?

MFL

We will revise language learned so far and begin to have conversations and written communications.
We will learn about how to say days, months and years.

Home Challenge

Learn how to carry out a household task and help out without being asked.

Art/DT

We will be learning how to sketch.
This will involve close observations, line work and learning different shading techniques.

PE

Mrs McCaffery will be doing a variety of PE activities to promote a healthy lifestyle.

History

We will investigate how we find out about events in the past.
We will learn about who the Vikings were and what they did.
We will learn about the impact the Vikings had on life today.
We will learn about what happened in 1066 and why this is important locally.
