

## Maths

Multiplication & Division

Fractions and decimals

Measurement

Shape

## English

Poetry, plays and instructions. Linking English to our create topic, our focus this term is about word play and performance. This is a great opportunity to explore role play and drama when bringing stories to life when acting out our plays and performance poetry.

## Create

In our create topic this term we will be looking at 'standing out and fitting in'. Focussing on the arts, we will be writing plays, planning, designing and making our own stage sets and performing our plays using stick puppets. During our set design, we will look at textures, cutting, shaping and joining materials in order to get the best effect. We will evaluate the effectiveness of our work.

## PE

In PE we will be keeping our bodies and minds fit with Mrs McCaffrey.

## History/Geography

During our creative activities we will be linking stories, plays and poetry with their time in history. We will continue to look at news around the world.

## Science

In Science we will be learning about Light and Sound.

We will be learning about light sources and those that are natural or man made. Our investigations will include making shadow puppets, testing out reflective materials and sun safety.

We will be looking at how sounds are made and how vibrations affect pitch and volume. Linking our science to our topic work, we will make some music for our puppet shows.

# Term 5 & 6

## Is it better to stand out or fit in?

## RE

Our values for this term are **Commitment** and **Empathy**.

In RE we will be learning about the impact of Pentecost and the meaning of The Kingdom of God. We will be looking at how Sikh people worship and celebrate.

## PSHE

In PSHE we will be learning how important it is to 'Be Yourself'.

Year 3 will be covering 'It's my body' and Year 4 will be learning about 'Growing Up'

## MFL

We will be learning about our school and telling the time.

## Music

Year 4 will begin guitar lessons this term.

We will be creating music and sound effects for our plays.
