

Maths

The 4 operations, Fractions, Decimals, properties of shape, symmetry and co-ordinates

English

This term we will be writing instructions, using our 'How does your garden grow?' topic as inspiration.

We will use our topic as inspiration to write poetry.

Art and DT

Focussing on tones, shades and tints, we will be looking at the work and life of Georgia O'Keefe, Carl Warner and William Morris. We will be using the natural world around us, as well as fruit and vegetables, as inspiration to replicate some of our focus artists' skills. While using fruit and vegetables in art, we will be learning about healthy eating.

PE

In PE we will be keeping our bodies and minds fit with Mrs McCaffrey.

History/Geography

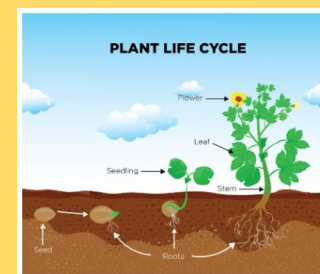

We will be looking at the chronology of our chosen artists and keeping a watch on current affairs around the world.

Science

In Science we will be learning all about plants.

We will learn to identify the different parts of plants and learn about their functions. We will investigate what plants need to grow and thrive and look at the life cycle of plants. We will be looking at 'How does your garden grow' and grow some of our own plants from seed.

Term 5 & 6

How does your garden grow?

RE

Our values for this term are **Commitment and Empathy**

In our RE lessons, we will be learning What it mean to be a Muslim in Britain today.

Music

Year 4 will begin guitar lessons this term.

Year 3 will be learning about texture and musical processes.

MFL

We will be learning to name members of the family, household items and some foods.

PSHE

We will be learning about **Safety First** in Term 5. In Term 6, Year 3 will be covering the **It's my Body** topic.

In Term 6, Year 4 will be learning about **Growing up**.

Home Learning

Reading, Spellings, Times Table Rockstars and Education City.

Please continue to learn and practise your times tables.
